DEDICATED TO THE REBBE

*Whose leadership, vision and example
teach us to how to live our lives
for a cause greater than ourselves.*

DEAR PARTICIPANTS,

Welcome to the 7th annual Jewish Recovery Center Retreat & Shabbaton. We would like to extend a special welcome to those participants joining us for their very first JRC Retreat. We sincerely appreciate your participation and look forward to spending an incredible weekend together with you.

The theme of this year's Retreat is "Hisyatzvu u'reu es yeshuas Hashem" (Stand firm and see the L-rd's salvation.) It reminds us that our job is not necessarily to figure out a solution to the obstacles in our lives; our job is to "stand firm," that means not to retreat or run away, and allow G-d to take control.

Panic struck the Jewish people as they stood at the edge of the sea. The Egyptians were behind them in hot pursuit and the sea was in front. They had reached a seemingly insurmountable obstacle. What were they to do? But their leader, Moshe Rabeinu, Moses, spoke to them and said, "Don't be afraid! Stand firm and see the L-rd's salvation that He will do for you..." (Exodus 14:13.)

So too in each of our lives we come to a moment where we can see no possible way to go on. No human-powered solution can possibly work. And yet, if we "stand firm," we will see that G-d does for us what we could not do for ourselves.

With G-d's help, may we all have a meaningful and inspiring weekend here together. We've made it this far. Now let's see what miracles Hashem has in store.

This Retreat could not happen if not for a dedicated group of volunteers and our sponsors. We would like to thank our Corporate sponsor, Avi Shaulson of Millennium Management & our Treatment Sponsor Sherief Moustafa of Florida House Experience.

A heartfelt thank you to Mr. Baruch Duchman for his incredible unwavering support and dedication to the cause of the JRC. Baruch literally makes his own needs and time secondary to the needs of the JRC (The Shofar was out for 30 days) and for this we are deeply grateful. We would like to express our deepest gratitude and appreciation to Mr. Shlomo Goldman of the Grove Kosher Market, for being the longest standing continuous supporter of the JRC, week in week out, much of our success can be directly attributed to this incredible generosity. A special thank you to Pinny & Family for their support, and for regularly opening their home & heart to the JRC Boys.

We would also like to thank our Contributing Sponsors, Brad Sorte, of Caron Renaissance, Abe Antine of Next Chapter & Danielle Hartman of Ruth and Norman Rales Jewish Family Services.

A special thank you to Mrs. Sharon Burns-Carter, Mrs. Fonda Roth & Berel Strohli for their continued support, dedication and assistance to the JRC and to this annual event.

Our sincere thanks to David Berkowitz and Avi Bash of Net Profession, for their efforts and technical assistance in the weeks and months leading up to this weekend. Lindsey McMillan of Caron, we cannot imagine how this Retreat gets off the ground without you, thank you for all your work and dedication to make this event a success, year after year. A very special thank you to Nossan Zand, for taking charge of much of the technical aspects of the Retreat and for relentlessly reaching out to JRC Alumni and marketing the Retreat on Social Media and beyond. Your efforts have produced the largest Retreat attendance ever.

We hope this weekend will be an experience of joy, fellowship, family and friendship, and we look forward to sharing it with you.

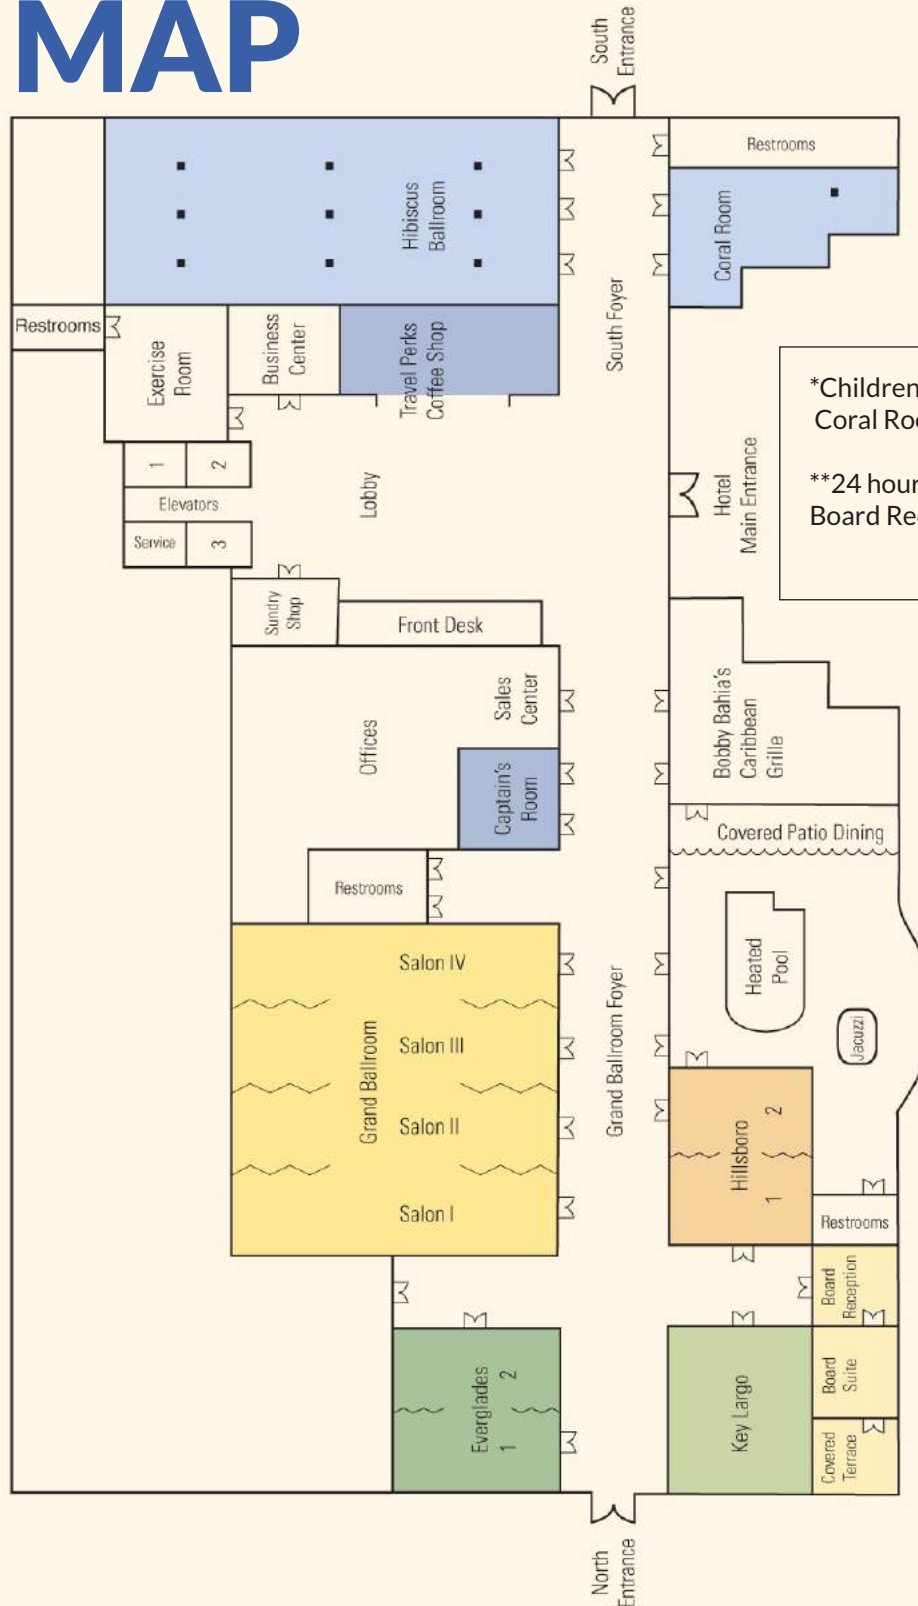

Rabbi Meir & Frumi Kessler

May his short but impactful life serve as an inspiration and a call to action to all of us, to reach out a little more, to care a bit more, and make a difference in the lives of others. We can all be a little more like Yaakov Yisroel.
